THE JOYS OF COTTAGE LIVING

The expanding campus at RiverWoods Manchester features 22 cottages in total; 18 of which are new construction. These homes are located steps from our main campus, adjacent to a 640-acre nature conservancy.

This opportunity is available to people interested in the freedom of independent living, without the hassles of home ownership. Enjoy a flexible meal points program, access to fitness classes, woodworking shop, art classes, and more.

RiverWoods Manchester is part of The RiverWoods Group, northern New England's largest family of not-for-profit Life Plan Communities. Known for excellence in health care, RiverWoods Manchester provides peace of mind to our independent residents, with guaranteed access to a continuum of care including Assisted Living, Memory Support and Nursing Care, if needed in the future.

RiverWoods Manchester is a smart financial decision, offering a one-of-a-kind 70% refundable flex contract. Secure your future today.
